

Jack Wheeler serves as Steuben County's Deputy County Administrator, a position he has held since 2010. He is responsible for assisting in daily management of county affairs, implementing special projects at the direction of the County Legislature and County Administrator, and has helped secure over \$2 Million in competitive grant funds for the County. Prior to joining county government in 2008, he was a Security Consultant for IBM Global Business Services, Public Sector in Washington, DC. With degrees in Business Administration from SUNY Geneseo and an MPA from James Madison University, Jack has developed special competencies in municipal governance, grants management, and emergency preparedness. Publications include an instructional book on homeland security policy and articles related to the challenges of hazardous material transportation.
